

Directions to Volunteer at Gwinnett Arena

The Arena at Gwinnett Center

6400 Sugarloaf Parkway
Duluth, GA 30097

When you enter the Arena parking lot from Sugarloaf (the entrance that is right across the street from Kroger and has the electronic sign).

Go all the way back and turn right when you see the parking garage off to the right.

You will drive around to the back side of the parking garage and take the first entrance (left).

Then you will go around the orange cones and park on level 2. Now, after you go around the orange cones you will see glass doors ahead and you will turn right and then there will be a room on your right.

Go past that room and park. Then, you will go in that room (may say employees only, but not sure).

You will then go to the uniform window and sign in on the CHHS Band sheet.

Get your uniform and badge and go back out of the building and go through the glass doors to the elevator.

Take elevator to 4th floor.

Go outside and there will be a door to get into the Arena immediately on the right and there should be a CSC event person at the door to let you in.

Go to the stand where you are working (Pizza 119 is to the left in the food court area. Beer Portable will vary with event, so ask any Arena employee if not sure where to go.)

After the event, take uniform and badge back to uniform window and put in appropriate tub and sign out on the CHHS Band sheet.

You are all done!
